

Word of the Day – **Carnivorous**

Transcript

Hi everyone. Today's word of the day is **carnivorous**. **Carnivorous** means to eat meat. We can use this word to describe either animals or people and their eating preferences. For example, I can describe Tyrannosaurus Rex in this way.

“Tyrannosaurus Rex was a carnivore as he only ate meat and never plants.”

Or someone who has **carnivorous** behavior. I can describe my friends who might only eat meat as having **carnivorous** behavior. For instance,

“My friend Tim loved eating bacon and hamburgers. He hardly eats any salad or other vegetables. He's basically a carnivore.”

I hope you can use **carnivorous** and **carnivore** in your everyday lives. And thank you for listening to Practicus. You can find the script at Practicus.co.kr. Thank you and have a good day.
