## Word of the Day – **Connoisseur**

### Transcript

Hi Everyone. Today's word of the day is **connoisseur**. **Connoisseur** is a someone who is an expert at something particularly judging something to do with the arts or refined tastes. And this is usually used in terms of food, art, plays, or even wine. And I can use it in this way,

**“He’s a connoisseur of wine. He can discern each flavor and texture of the wines he’s tasted.”**

And these days there’s a new word for a **connoisseur** of food and that’s is **foodie, f-o-o-d-i-e**. **Foodie** is someone who is an amateur at critiquing food but who has gone out so many times out to different restaurants that they’ve actually become almost a professional. And I can use it in this way,

**“The blogger claims to be foodie as she critiques foods and gives tips about the best places to eat.”**

So I hope you can use the words **connoisseur** and **foodie** in your everyday lives. Thank you for listening to the word of the day. You can find the script at [Practicus.co.kr](http://Practicus.co.kr). Thank you and have a good day.
