Word of the Day - **Enamored**

Transcript

Hi, the word of the day today is **enamored**. **Enamored** is a transitive verb. This word is generally used in a very positive sense, when you have an extreme emotion towards an event, idea or person. For instance if you were infatuated with a specific singer and you had never seen that person live, you can say after the event,

**“After he saw the singer in person, he became even more enamored with her.”**

Another suggestion would be if you had an idea that is very positively received, you could say,

**“After the presentation, the investors were enamored with the novel approach.”**

I hope you find this word useful and expressing your thoughts more clearly. For more information you can find more information at [Practicus.co.kr](http://Practicus.co.kr).
