--	---	--	--

포기하지 말아라. 끝까지 포기하지 않는 사람에게 기회는 온다. 포기하고 싶은 마음이 들어도 끝까지 노력해라.

- You should never give up. It isn't over until it is over. Even when you're tempted to give up, just keep pushing.
- Even after multiple failures, you should never give up. It is not over until the fat lady sings. If you keep at it, you will reach your goals.
- Never surrender you dreams. It is always darkest before the dawn. Even if you think things can't get any better, if you keep trying, eventually you will succeed.

현명한 선택이 중요하다. 선택은 곧 포기다. 포기도 잘 해야 더 좋은 기회가 생긴다. 노력을 하는 것과 고집을 부리는 것은 다르다.

- What's important in our life is to make wise choices. The other side of choosing something is you are giving up something else. If you give up at the right time, better opportunities will come. There's a fine line between hard work and being stubborn.
- There is an opportunity cost for everything. You need to get an ROI on the time you put into something. If you can't get something back for the work you put in, you should focus your efforts elsewhere.
- You have to weigh the pros and cons of your decisions. If the cons outweigh the pros, you should give up and focus your energy on things that will make you successful.
