소셜미디어에 너무 많은 시간을 들이지 않는 것이 좋다. 재미는 있을지 몰라도 별로 생산적이지 않으며, 소셜미디어를 통한 인간관계라는 것은 별 깊이도 없다.

- Don't spend too much time on social media. It may give you a sense of fun, but there's nothing so productive about spending time on social media. Also, relationships through social media are passive, and you cannot form strong bonds with people.
- Don't waste your time on social media. Scrolling through social media can be entertaining, but, in reality, it is not productive. Online relationships are skin-deep and can't offer a strong emotional connection with a real person.
- Social Media is a time suck. It is a great way to pass the time, but it is not benefiting you in anyway. Forging strong relationships in the real world is much better than casual online connections.

지금처럼 바쁜 세상에서 소셜미디어는 최신 정보를 얻는 데 도움이 된다. 소셜미디어로 여러 지인들의 소식을 들을 수 있어 좋고, 온라인에서 좋은 관계를 유지하는 것은 오프라인의 인간관계에도 도움이 된다.

- We're living in a fast-paced world. Through social media, you can get in touch with the most up-to-date information about the world you're living in. Also, you can keep in contact with your acquaintances on social media, and the relationships on social media help maintain good connections in the offline world, too.
- We cannot live without social media. It is important to be in the know. You can stay in the loop by keeping in contact with your friends and meeting new ones online. Having a good online presence can strengthen your connections with people in a non-virtual setting.
- The world is constantly changing. Social media is a tool we can use so we can keep up. Social media can help us both on and offline with our friends, family, and business connections.
